HOGWASH

CENTRAL SC H.O.G. CHAPTER #4772 JAN/FEB 2019 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

2019 is off to a good start. We had the "Frozen Fingers" ride with no frozen fingers and Brian's ride to Scottie's in Blythewood didn't need to be rescheduled due to rain. (A frequent occurrence last year) In between rides we had great food, fellowship, some thrills and spills at our After Christmas party. If you missed the party, be sure to check out the pictures/videos on our Facebook page.

Bryan, Brian and I are very excited to have Michele McLain join us this year as LOH officer. Michele has already been busy planning the Rolling Thunder trip and, with the help of Scott, has some great rides planned for the upcoming months.

Congratulations to our 2018 Top Hog Ron Stites and Miss Piggy Sharon Brissette. Thank you for all you do for our chapter! It's time to start racking up points for 2019 and easy to do. Just show up for meetings, rides and participate in Chapter events.

Mark your calendars - - the 3rd Annual Phil Page Memorial Ride for Carolina Sunshine is going to be held on Saturday, March 30th. KSU 9:00 am at Harley Haven. \$40 donation/bike. This is an open event and all bikes are welcome.

METZER'S MEANDERINGS

February hum, I think sometimes living in the south, we forget how lucky we are to have good riding weather nearly year round. Our compadres up north and in the mid-west are dealing with lots of snow and cold this winter, no thanks! I hope this year has started favorably for all of you. As for Shell and I, its phase two of our house remodeling effort (oh boy more work!). That being said, I plan to join in on a lot more rides this year even with the remodeling. I look forward to enjoying fellowship with all the excellent people that are members of our growing HOG chapter!

Shifting gears, I really hope that everybody enjoyed the After Holiday party. I have to say the food was scrumptious again this year and I am sure I gained a couple of pounds that night! I loved watching all the games but, the two tricycle wheelies at the end of the tricycle runs were my favorite (I am glad no one got hurt)! Imagine getting almost caught in bed with a voluptuous woman, trying to put on your shoes, jump out the window, crank up the tricycle and then wheelie off into the night! George, congratulations on your speedy victory - are you sure that you've never done that kind of thing before? Of course the next thing I have to mention is "poop the potato". Our German buddy Mike was really shitting and getting but, he dropped his potato, got greedy with the old "two potato up the butt trick" that cost him the win.

Stella was cruising as well and proved that she could hold her Poo (tato) with the best of them. She successfully "pooped" all her potatoes the "can" to take the win, congratulations Stella! I would like to genuinely thank all the game participants for embarrassing themselves in the name of fun (it didn't hurt that the winner of each game was taking home \$75 big ones)!

Grinding my way in to third, I hope everybody has had a chance to congratulate Michele McClain, our newest HOG officer. Congratulations Michele! I look forward to all the new energy and exciting rides that you will bring to the chapter. I know that I and the rest of the officers look forward to working with you!

Well, that's about enough meandering for now. I pray that you and your families will be blessed! See you on a ride soon!

BUG HUNTING

Happy New Year all of you hog riding people. I am excited about 2019. There are so many places to go and things to see that should keep the wheels rolling and the pipes rumbling. As always I look forward to making memories from our adventures on the road.

The weather was not kind to the Christmas charity events this year. I can't remember the Vets Ride ever being canceled as it was this year. Mr. Bernie, George, and I made the Boys Farm ride with some gifts from other chapter members that were unable to participate this year. There were about 50 bikes for the ride, but there were other collection points. There was an abundance of gifts for those in need. Thanks to all who donated!

Our first Chapter ride was January 26th to Scotties Cafe in Blythewood. As the crow flies it is only about 10 miles. We took another route. It was a cool January morning but there were 14 hoggies and 11 bikes ready to ride. It was good to hit the road again. Scotties provided great service and food. If you have never been, you should try it out.

February weather is hard to predict. That said, we will be keeping it close for our chapter ride. Buffalo Creek Grill on Lake Murray is the destination. We depart Harley Haven at 11:00am on Saturday, February 23rd.

March will be filled with riding opportunities. 3/16 chapter ride to Trotters Restaurant, 3/23 Spring Kick Off Party, 3/30 Phil Page Memorial ride/Carolina Sunshine. Just to mention a Few. Hope to see you there.

Let's Roll

RIDING B**** WITH MICHELE

First off, I want to say how honored I am to be a part of the Central SC HOG Chapter. I know I am going to have a challenge on filling the shoes that Nancy left behind. She was an awesome LOH officer and she is one of the main reasons my husband and I have joined the HOG chapter.

As you all know, I will be "riding bitch" on the rides.

ride bitch

Verb

1. (slang) To be a [passenger](#) in the [pillion](#) of a [motorcycle](#).

With the help of my husband, Scott, I hope we will come up with some great rides you will all enjoy. Our first ride is to Schoolhouse BBQ in Scranton, SC. This was the first ride we went on with the chapter so we wanted to start it off right! Please don't hesitate to message me with any suggestions you might have. Looking forward to a great 2019 with a lot of riding adventures with my fellow Hoggies!
