CENTRAL SC H.O.G. CHAPTER #4772 JUNE 2019 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

I hope everyone had a great Memorial Day weekend and also took time to reflect on those brave soldiers who gave all to protect our freedom. It slaps you in the face when you visit Arlington National Cemetery and the Vietnam Memorial Wall. So many people who believed what a great country we live in that it's worth fighting for to keep it that way.

Three things I would like to say about the Rolling Thunder trip: 1) Great job Scott and Michele! 2) It was quite an adventure and 3) Mr. Bernie is a rock star and a chick magnet!

I will have to elaborate on those points another day as I am busy packing for my next adventure to Laconia Bike Week. Stay cool and ride safe everyone. See you in a couple of weeks.

METZER'S MEANDERINGS

I hate to say I was right but, I predicted this heat in last month's newsletter "*That being said, the heat is coming and I am not sure if I look forward to it.*" Looking at the weather for the next ten days, it looks like some temperature relief and rain in the not so distant future, thank God!

Shell and my house projects are progressing steadily, if they stay on track we will finish with all except the master bathroom this year (that is providing Shell does not conjure up anymore last minute changes)! One sour note, our house got broke into on May 16th and I have to say it really sucked. We were fortunate (blessed by God) that only a couple of things got

taken but, as it turns out, no longer having a sense of security is the worst thing to deal with! Of course now we have video monitoring with alerts and an alarm system installed, I wish that I would have done it sooner!

Shifting gears, I have not been on any of the May rides, remodeling again. I really wanted to ride in what was supposed to be the last Rolling Thunder. I read some news stories that reported President Trump tweeting about helping Rolling Thunder if he could and, how the riders are great America patriots! I also heard now that there is now talk of Rolling Thunder continuing! Being a veteran, Memorial Day has a special place in my heart. I know about some of the sacrifices that our veterans make to serve this great country and keep us free! Traveling around this land, we are not perfect and have our issues but, I still feel God has blessed this land and made it the greatest nation on earth. I would personally like to thank all our chapter veterans for their service and dedication to this great country, God Bless You and God Bless America!

Grinding my way in to third, I wanted to remind everyone that Father's Day is fast approaching and, Jessc is still looking for volunteers for Harley Haven's Father's Day festivities. If you can help out, there will be a signup sheet at the meeting.

Well that's about enough meandering for now, may God bless you and your family! I pray that he will keep you safe during all your two wheel adventures!

BUG HUNTING

Hey Y'all. I think we missed spring this year and dove straight into summer. I guess we should be used to it by now. (NOT)

Even with the temperatures in the mid-90s, we had a good group of riders make the trip to Campobello. I can't tell you how many people asked "where the heck is that?" Most people travel by interstate now and you will pass right by it. When you get onto the secondary roads you never know what you may find. We found the Dutch Plate. On the way there you could see the mountains in the distance, so after lunch a few of us took the curvy road up to Saluda, and back down again. Believe it or not, I got on the interstate from Spartanburg to Clinton. Hope you're not disappointed.

The June chapter ride we will be following Mr. Ron Stites to Vickery's Bar and Grill on Shem Creek. This has been a staple in our diet for many years. Maybe the thermostat will dial down for a day. Ron always leads a great ride. I hope you choose to join us.

Let's Roll,

Brian Manges

RIDING B**** WITH MICHELE

Well we had another great Memorial Day. Thank you to all the hoggies that have served. The traffic was light. The schools are out and the beaches were busy but on this Memorial Day, let us think and remember about what we must.

Winston Churchill said "Never was so much owed by so few." So true, we owe the fallen, we honor what was given on behalf of us all, and we appreciate the families who know daily the price of freedom. To these Gold Star families, we offer our gratitude and pray for your comfort. Abraham Lincoln called this sacrifice the "last full measure of devotion." May we

as citizens of this free land never fall short of the gratitude owed by living less than worthy of the price paid on our behalf. On Memorial Day we pause and remember, praying for those who protect and serve us, their families and this nation. We live in response to this gift and in debt to these who gave. May we live with respect, with appreciation, and with appreciation for each other as a living memorial for these.

With that being said it was a honor to ride to Washington DC with a WWII & Korean War vet Mr. Bernie. This man continues to amaze all of us by riding to Washington DC, sitting in the pentagon parking lot for 8 hours and again the 10 hour trip home. A true inspiration.

On another note we do have our Progressive ride coming up on 6/8/19. If you are interested in going please let me know so I can add you to the head count. July LOH ride is the tail of the dragon and it looks like we have a large group going. The hotel we are staying is booked but you are all still welcome to join us. We can look for a place close by. Please let me know.

HARLEY HAVEN HAPPENINGS

Wow, has it sure been ~hot~ riding weather here in the Midlands! Do you have the proper riding gear for these higher temps? Let the HH Motorclothes department get you riding cooler. We've got mesh jackets, lightweight 1/2 helmets as well as hydration vests. Just ask Mr. Bernie, Trish or Sharon and Earl for their testimony on how well they work!

We're looking forward to celebrating Dad on June 15th at our annual Father's Day Cookout from 12-4. A volunteer sign-up sheet will be sent around during the meeting if you'd like to help out. We will have *free* food (while it lasts), drinks, a classic car & truck show, an in-store giveaway and vendors on site. Come inside to be entered in to win a Men's H-D Bulova watch. Trey Steele will also be giving away a custom painted Yeti cup! Vendors on site will be Anthony Shoemaker Tattoos, Central SC HOG Chapter, Family Practice of Chiropractic, Rock Star Energy, Soda City Barbers and Trey Steele's Paint Shack. Mark your calendars!

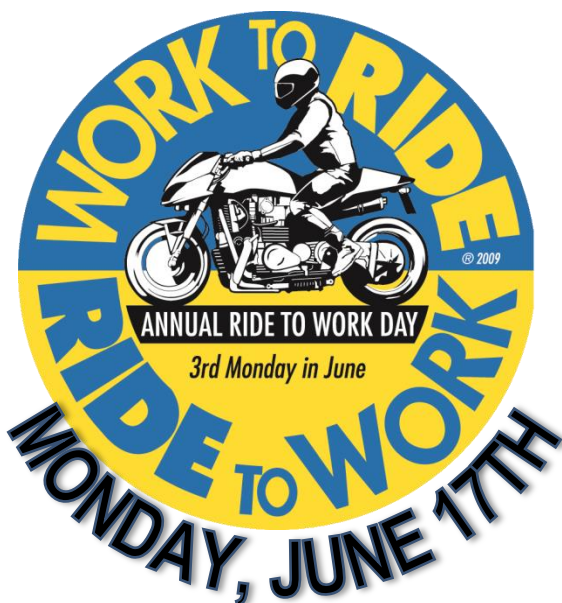

Join us on our Ride 'n Dines this month on Wednesday, June 12th and June 26th. As always, kickstands up at 6:45pm sharp here at Harley Haven. Keep an eye on our Facebook page for updates.

Looking forward to seeing y'all soon, until then,
Ride the Adventure, Live the Dream!
