

HOGWASH

CENTRAL SC H.O.G. CHAPTER #4772 DECEMBER 2019 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

Another year has ridden by us and hopefully you have some good memories of time spent with your fellow hoggies. We had a butt cookin' good time at Bryan and Michelle's house in November at our chapter picnic with plenty of great food and fellowship. A big "thank you" to the Metzger's for their hospitality. With the busiest time of the year upon us, let's not forget those less fortunate. Brian will have info/ride times for you at our upcoming chapter meeting for the charity rides in December.

There will be a sign-up sheet at our next meeting for the after Christmas party on **Saturday, January 18, 2020** at T & S Farms. \$10/member and \$25/guest. **The last day to RSVP is January 7, 2020. (NO EXCEPTIONS!)** Please note that Harley Haven is closed between Christmas and New Year's Day so plan accordingly if you are unable to attend the chapter meeting to sign up.

There will be a "Frozen Fingers" ride on January 1, 2020. Please check your email and our Facebook page closer to the ride date for more details. I would just like to take this opportunity to say how much I have enjoyed riding with everyone this past year and look forward to more good riding in 2020. Merry Christmas and Happy New Year to all. May you enjoy time spent with family and friends. I hope Santa brings all some cool Harley stuff!

Knees in a chilly breeze,

METZGER'S MEANDERINGS

Man, the leaves around here sure are pretty right now! I did not get a chance to meander into the mountains this year to look at the leaves so; I will have to settle for enjoying God's beauty on flat land. All the vibrant yellows, reds and oranges on the trees makes me long for the mountains of Western Maryland where I grew up. I would like to thank everyone that came to the Chapter BBQ, I hope that everybody enjoyed themselves. The weather was a bit warmer than expected, the turnout was good, the fire was warm and all the food was absolutely delicious! Trish, thank you so much for coming early to help me set up, prepare the BBQ, build/maintain the fire and bringing some fire wood. Stella and Brian thank you for the lovely house rewarming gift.

Shifting gears, Harley Davidson has had some issues with their parts system recently and the parts were so slow coming for my bike that I do not have the heads back from the machine shop yet. I originally hoped to get my motor put back together over the long Thanksgiving holiday weekend and then ride my bike in the December charity rides. Maybe I will get lucky and TJ will call me Tuesday or Wednesday of Turkey week and my plan will still come to fruition. On second thought my plan definitely will not work because of the camshaft change, I still need to have it tuned once it's reassembled - what a bummer!

Grinding my way into third, December is the month of the charity rides. I hope the weather cooperates better than it did last year! I always like to see big turn outs for the charity rides to help the huge amount of needy people (both adults and children) in our area. Remember that God wants us to do our parts, especially when it pertains to fellow believers. Trish has offered to let me ride one of her bikes so that I can participate, and I believe I will humbly take her up on that very gracious offer. Well that's about enough meandering for now, may God bless you and your family! I pray that he will keep you safe during all your two wheel adventures!

BUG HUNTING

Hello everybody! I hope that you all got your fill of BBQ last month. (If that is even possible) Brian Metzger cooked some of the best pork that you could ever want. Thanks for inviting us to your home for that awesome feast. Besides the pork there were many delicious side dishes and desserts brought by other chapter members, or their guest, to accent the meal. It was a great afternoon.

Unintentionally, I planned our last chapter ride of the year to a BBQ joint. Rikard's Road Side BBQ was not tempting enough but for a couple die hard bikers to venture out on a cold rainy day. Hey, nobody said I was smart OK! The good thing is that I can use this as a destination in the future.

We will be meeting up before the charity rides this month if you would like to ride with us. They all are scheduled on Sundays this year.

Let's Roll,

Brian Manges

RIDING B**** WITH MICHELE

Sorry everyone for my last 2019 ride to Break on the Lake in Greenwood. The % of rain looked like it was going to get us. We do have some charity rides in December that are for some less

fortunate, I hope you are able to join in.

Please remember: Certainly **Christmas is a time of giving** and sharing with those around us, but that sharing is not limited to those that we love and care for. It is also for the person that we have never met and will never see; those that are not so fortunate in their lives as we are and that could use a helping hand.
