CENTRAL SC H.O.G. CHAPTER #4772 JULY 2020 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

I hope everyone is doing well! It seems like forever since the chapter has been together for a meeting but, we are working on a solution for that, so keep an eye on your email for an update.

The trip to Helen, Georgia was awesome! It was great to spend time and ride with our fellow hoggies. Joe McLinden (with Brian as backup) did an excellent job with leading us to the mountains and through The Gauntlet. Thank you, Joe!! It was a very relaxing and fun weekend, a great mental break from all the craziness.

Riding motorcycles is a great stress reliever so don't let current events get you down, get out and ride! We are still planning rides and trying to make them fit everyone's comfort level. If you have any suggestions for places to go, please let us know.

Congratulations to Sonny and Alice on 50 years of marriage! May you have many more years together! Looking forward to riding together soon.

Knees in the breeze,

Trish Camarota

METZER'S MEANDERINGS

I hope this article finds all of you doing well and healthy. I have been following the corona virus statistics while on vacation and have not been surprised by the recent large spikes. When the Governor opened the state back up in May, I noticed that people were acting like he put the virus on a Hiatus. With, new Covid cases averaging about 1,000 each day, I hope that South Carolinians will start recognizing the legitimate risk and begin taking appropriate measures to avoid spreading it!

Speaking of measures to avoid spreading the virus, Shell and I took a road trip and drove across the United States pulling our camper. We took our trailer to avoid restaurants, hotels and nasty gas station bathrooms. I have to say that we have a diverse and amazingly beautiful country! We visited Georgia, Alabama, Tennessee, Mississippi, Oklahoma, New Mexico, Arizona and California! If I had to pick a favorite place from the trip, I would have to tip my hat the Flagstaff Arizona!, I just love its scenic mountain views, beautiful trees and low humidity!

Shifting in to second and grinding my way into third is short due to time constraints!

I looked at the pictures of the Gauntlet ride and they looked awesome! I remember when the chapter went several years ago, I thought it was an amazing area and ride!

Well I have to go, hope to see you on the 27th ride and May God bless you and your family, look forward to seeing you on the next ride!

BUG HUNTING

Hello everybody,
I hope that you are doing well. I am still acting like a hermit, but I think I like it. Don't get me wrong, I have been riding.

We had a great time in Helen last month. Joe did a great job of planning and leading the ride, as I expected. It was very scenic if you were able to remove your eyes from the curves in front of you. Once we worked up an appetite Joe had a stop planned for lunch at the Copperhead Lodge. We were seated on the covered patio with the tables at the required social distance, but still close enough to converse with everyone. The meals were prepared by a chef and were very well done. I would definitely recommend it if you are ever in the area. It is very biker friendly with covered parking, and the owner is a biker and the creator of the Gauntlet Loop. After lunch we dove into the best part of the route on our way back to Helen, We arrived there around 4:00 and found that everyone else in Georgia was trying to get to the same place we were. It was a good thing that we had drained our water reservoirs at the stop previously, unlike the people in front of us. I wondered what they were doing when they jumped out of the car and ran for the trees. When I saw the moon at 4:00 in the afternoon I figured it out. You should have heard that rowdy group of bikers behind me whooping and hollering all sorts of things at them. Well you have to have a little fun now and then. Just a few highlights from the trip. Joe, a BIG thank you for making this such an enjoyable weekend.

I have some destinations planned so I hope you can join us soon.

Let's Roll,

Brian Manges
