

HOGWASH

CENTRAL SC H.O.G. CHAPTER #4772 JUNE 2020 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

I hope that everyone is doing well and staying healthy as our world seems to be getting crazier by the minute. One good thing about being a biker is at least we have an outlet to regain our sanity — wind therapy. I'm looking forward to frequent therapy "sessions".

Our chapter meeting for June has been cancelled. Keeping fingers crossed that we will be able to have one in July.

The Patriot Tour kicked off May 23rd as a virtual tour. There is a short video for every day the flag is "passed". Frank Reynolds, Mr. Bernie's son, graciously accepted our invitation to be our flag bearer this year and appear in our video. You can watch the video on June 20th at nationofpatriots.com and while you're there please make a donation to help our veterans and their families.

The Phil Page Memorial Ride has been rescheduled for Saturday, September 26th. We will be riding to Lake Lure, NC for this event. The next time you're at Harley Haven don't forget to check out the wooden cutting board being raffled for \$5/ticket with proceeds going to Carolina Sunshine. It's an American flag with a Harley-Davidson logo and would be a great addition to anyone's kitchen.

I have planned a ride for Saturday, June 27th leaving Harley Haven at 9:00 am. We will stop for lunch at the Country Store in Healing Springs, SC. I hear they have really good sandwiches. Pack a folding chair if you can, they have some nice shade trees we can sit under to eat.

Looking forward to riding together soon.

Knees in the breeze,

Trish Camarota

METZER'S MEANDERINGS

I pray again this month, that this newsletter finds everyone doing well and healthy! I am truly blessed! I am still able to say that I do not know anyone who has contracted the Coronavirus but, I know sadly that day is coming. The Governor lifted a lot of the COVID-19 restrictions and by the way people have been acting, he must have ordered the Coronavirus to take a break from infecting people. Who knew that Governor McMaster had power over a virus? I sure didn't! I have heard recently of a furloughed plant employee that is positive with COVID -19. Considering that exciting news, the plant is making us all wear masks, starting on Tuesday, June 2nd and not a lot of people at the plant are excited about it.

Shifting gears, Thanks to Aaron for leading the chapter ride last month! Sorry I could not ride all the way but, I have been dealing with a right hip issue that seems to really bother me when I ride. So, I have been keeping my jaunts on the scooter short. It was so nice to see and talk to everyone! Everybody seemed like they were itching to do some riding after being cooped up at home on the weekends, I get it!

Grinding my way into third, I am not sure yet if I can go on the Gauntlet ride. Shell and I are planning an adventure across our big beautiful country with our RV. We are not exactly sure when we are leaving but, for sure it will be sometime in June. She and I hope to get the details ironed out this weekend. Lastly,

Memorial Day has come and gone but, my memories of Mr. Bernie haven't. He was a very special man that was kind, gentle, soft spoken and super friendly. I pray that he is resting in peace waiting for the day our Lord will resurrect him, it will be nice to see him again! Please feel free to email or call me should you need help during these trying times, may God bless you and your family! I pray that he will keep you safe during all your homebound or two-wheel adventures!

Bryan Metzger

BUG HUNTING

Hello everybody! This has been the best spring like weather that I can remember. I have been enjoying the moderate temperatures for sure. I'm sure it will come to an abrupt halt soon. Get out and enjoy the last little bit while you can.

Our chapter members have really been doing a great job volunteering to lead rides lately. Aaron Kimball led the May chapter ride to Augusta. There was a large turnout for it and it's not always easy to keep everything going smoothly. He did a great job. I will say this; he took me on roads that I have never been on. Upon arrival, Bob Helmer and myself decided to skip going inside of the restaurant. He brought PB&J sandwiches and we sat under the shade tree and shot the breeze for a bit before heading home. Thanks for planning this ride for us Aaron! Joe Mclinden has volunteered to lead the June chapter ride to conquer the Gauntlet loop near Helen, GA. Some of us have done this in the past and it is a fantastic ride. I know that Joe will take good care of us up there. I really appreciate you guys doing this for the chapter. I am personally looking forward to a great weekend of riding.

Don't forget when you're in Harley Haven to purchase your raffle tickets for an opportunity to win a custom cutting board. All proceeds go to Carolina Sunshine for Children. The drawing will be held October 6th at the chapter meeting.

I hope everyone is doing well and hope to see you all soon. Let's Roll,

Brian Manges

HARLEY HAVEN HAPPENINGS

May has come and gone and June is on our doorstep! It's been another month of a bit of uncertainty and awkwardness not knowing what to expect at each business we visit. We have been fortunate to continue to have the dealership open regular hours and every employee is still doing well and healthy!

As Trish stated, the Nation of Patriots Patriot Tour is being a done a little different this year. They have decided to do a virtual Patriot Tour and each flag bearer has done a video stating what the flag means to them and what the Nation of Patriots goal is. I've enjoyed seeing the videos of where the flag has "travelled" so far on the Nation of Patriots Facebook page. I can't wait to see our video on June 20th!

If anyone would like to sell raffle tickets for the cutting board benefiting Carolina Sunshine, you can sign out a book of raffle tickets at the Motorclothes counter.

Don't forget, the 3rd Monday in June is "Ride to Work Day" so if you're back to working or even if you just want to get on your bikes and ride – saddle up on Monday, June 15th!

Jessc Phoemaker
