CENTRAL SC H.O.G. CHAPTER #4772 OCTOBER 2020 SPONSORED BY HARLEY HAVEN

TRISH'S TRAILS

Fall has finally arrived! Hopefully that means some more comfortable riding weather. It's time to put the cool vest away and pull out the leather.

Speaking of cool weather, last Saturday's Phil Page Memorial Ride for Carolina Sunshine was a little chillier than most of us expected! I apologize for promising sunshine but I was glad I had packed a jacket. Just sorry I didn't put it on before we left Harley Haven. We had a total of 27 people by the time we reached LaStrada in Lake Lure, NC. We were seated outside where we had a great view of the lake and the cloud topped mountains. Most importantly, we raised \$4,000 on Saturday. A big "thank you" to all who participated and to those who couldn't ride but still donated. Phil would be proud! There are still Mr. Bernie patches available at Harley Haven (a donation to Carolina Sunshine is appreciated). Get yours before they're all gone.

The drawing for the American flag/HD cutting board will take place at our chapter meeting on October 6th. Raffle tickets will be available before the meeting and the proceeds will go to Carolina Sunshine.

Thanks to all of our volunteers for the Harley Haven anniversary party on the 19th of September. A little more low key than previous parties due to COVID but we still managed to raise a little money, sell raffle tickets for the cutting board and increase our HOG membership. The band, Interstate Exiles, played a great selection of classic rock music and is worth checking out. I hope Harley Haven invites them back for their next event.

METZER'S MEANDERINGS

I hope that you and your families are doing well and staying healthy! It's October, my favorite time of the year! October - when God gives us a break from South Carolina's relentless heat and humidity. October - when the leaves on the trees begin their change to beautiful vibrant fall colors that truly display God's majesty! October - when new fall beers hit the market and the October fests take place. October - when the deer rut and hunters get to spend solitary time in the splendor of God's Creation! October - when camping in the great outdoors gets prime and the smoke of many campfires' waft in the air! Can you tell that I really dig this time of the year? I look forward to an extended family camping trip as soon as I finish building the home for our girls (my wife's chickens).

Shifting gears, I will be glad when the COVID -19 pandemic and presidential election gets behind us. I am tired of all the crazy godlessness actions that man's quest for power brings! People will do nearly anything to gain perceived power but, they fail to understand that the Bible clearly explains that it's all vanity! I have a gut feeling that after the election things will be getting back closer to our "normal". I pray none of your families have been affected by all the insanity of these truly trying times.

Grinding my way into third, The Shealy's Breakfast ride was a big hit! Despite the mostly light nuisance rain, we had 12 bikes! As normal the food was soooo good, I think I gained 5 pounds that morning! Thanks to all who came on the ride, I would like to do it again soon and hopefully next time, the weather will be pleasant so the turn out will be worthy of the food! Speaking of rides, the Phil Page Memorial ride was awesome! We had a large turn out and perfect cool weather for the entire trip. Trish did a great job leading the large group and taking us on some really nice roads. I have to admit that my part of the ride was the twisties as we approached Lake Lure. As normal, the food at Lastrada's was on point. Trish sat beside me, when her chicken parmesan came out, her eyes bulged, the plate was huge! Like a good neighbor, she shared, so we both left the restaurant fat and happy! Well that's enough meandering for now, God bless you and your family! I pray that he will keep you safe during all your homebound or two-wheel adventures!

BUG HUNTING

Hello everybody! First thing, I would like to thank everyone that helped out with the September events. Bryan led a great breakfast ride to Shealy's, everyone that participated in the Harley Haven Anniversary party, and of course the Phil Page Memorial ride. I will try to do better this month.

Stella and I took a ride to the mountains to investigate a ride called the snake 421. We stayed in Mountain City, TN. which is in the corner of NC, TN, and VA. We touched all of those states on our ride. The Snake 421 is definitely a ride that we should take as a

chapter. It had everything that you would want in a mountain ride - cooler temperatures, curvy roads, and a store with souvenirs from the snake and good people operating the store. There are also a couple biker friendly restaurants close by. It is not far from the original Mast General Store and Blowing Rock. We should try to visit there soon.

We have more upcoming opportunities to ride through the rest of the year. Dempsey's pizza is a place recommended by a couple of our members as a good destination, so let's do it in October. I will create a ride that I hope you will all enjoy. (If I'm riding, I'm enjoying) Let's hope for some fall weather as we approach these rides.

If you haven't purchased a raffle ticket for the custom made, one of a kind cutting board, do it now. We will select a winner at the meeting this Tuesday at the meeting. All proceeds go to Carolina Sunshine For Children.

See you soon,

Let's Roll,

Brian Manges

HARLEY HAVEN HAPPENINGS

It's here. My favorite time of year – spooky season! If you know me, you know I love all things creepy and weird and October is my time to shine. Halloween falls on a Saturday this year and it's a full moon and Daylight Savings so we get an extra hour of Halloween. I'm still not sure what my costume will be this year.

Speaking of Halloween, we are hoping to have our annual Blood Drive with the American Red Cross on Saturday, October 31st. I should be receiving word from them soon on the availability of phlebotomists. Keep an eye on our Facebook and website for details. Fingers crossed we will be able to have it this year!

The annual poker run hosted by the Apostles benefiting Leo's Pride will start and end here at Harley Haven on Saturday, October 17th. You can find more information on our Facebook and event page on our website.

Here at Harley Haven, our master technician, Shane, celebrates 25 years of service! We are so lucky to have him on our team. His attention to detail and expertise is second to none.

Looking forward to seeing you all soon and until then, ride the adventure, live the dream --
