CENTRAL SC H.O.G. CHAPTER #4772 JULY/AUG 2021 SPONSORED BY HARLEY HAVEN

RUSS'S RANTS

Hello fellow Hoggies and I pray GODS blessings on each and every one of you. I would like to start out by saying THANK YOU to all those who gave their time and talents to make our first fundraiser to Wounded Warriors a big success. We were able to raise a grand total of \$3629.00.

Our prize winners are as follows:

Harley box with booze..... Randy Mills
 Patton and 82nd booze.Mike & Vaughn
 Blanton's and glasses.....Brian Manges
 Framed sign and patch.....Bruce Brandt
 WW cutting board.....Britt Waidner
 HD/WW corn hole.Michele McLain

It was a great day to honor a great man. Some of Mr. Bernie's family participated in the festivities and the ride. We were blessed with great weather and somehow all of the traffic lights with the exception of two cooperated flawlessly.

I look forward to seeing you all at our meeting Tuesday night. Until then,
 Remember,
 Smiles up, Rubber down.

GOD BLESS

Russ Siciliano

KIM'S KORNER

For those of you who attended and participated in the Kim's Korny Joke contest at our last chapter meeting, you were all winners! Each of you received a priceless HOG koozie. It was a tough decision who had the corniest joke but the top prize of a HOG insulated tumbler was Keith Wilks.

For those of you who weren't able to make the meeting here is the winning joke --

A teacher wanted to have the class learn about the effects of alcohol so she had three glasses, one filled with water, one with beer and one with whiskey. She dropped a worm in each glass and a few minutes later the worms in the beer and whiskey glasses were both dead. She asked the class what they could learn from this experiment. Little Johnny raised his hand and the teacher thought it would be safe to call on him, "Little Johnny, what can we learn from this experiment?" Little Johnny responded "people who drink don't have worms!"

Thanks again for all that participated. Look forward to future contests at the chapter meetings to win great prizes.

Until then,
 Kim Out!

BRITT'S WITTS

Hello, my fellow Hoggies! I hope the great weather has been letting you get out and see the country side and finding new roads, with that being said there are more bikes and cars on the roads and all of our safety is paramount.

Some basic safety is our staggered set up on our rides of keeping about 2 seconds behind the bike in front of you, keeping it tight and if one falls back in formation we should all close the gap and adjust formation by taking their spot or shuffling the formation. Our roads here in SC do tend to suck a little but pointing out hazards in the road with your feet or hands will give us all a little more reaction time for your fellow bikes.

We had our First Mr. Bernie Ride and I think we had pretty good success with our first one and thank you all for participating and your donations to the Wounded Warrior Project. Unfortunately the flag run was rained out but a few of you did jump in the cages and take it to Atlanta to keep the flag on track for its cross-country adventure to benefit our veterans. We all appreciate those who made the trip for this great cause.

We have some good rides coming up here in July and of course our overnights in August. Hope you all can make it out with us for some great rides and brother/sisterhood.

RIDING B**** WITH MICHELE

First all I want to thank everyone for all the help with Mr. Bernie Benefit and with the Father's Day cook out. With all your help, it made the events a great success. We do have a great bunch of Hoggies in our group,

We have some good rides coming up in July to Greenwood, SC on the water, and Scott Shields is going to take us to Camden to the Beaver's Den.

In August we have a couple more good rides coming up that I am getting excited for. Brian Manges is going to take us for a ride to Bluffton, SC and Joe McLinden is going to lead the pack to Robbinsville, NC for a weekend trip. Anyone who has not signed up for the Patriots Point ship tour/ overnight or day trip, there is still time. I am finalizing the hotels plans now. Please watch Facebook for all updates and I will make sure that emails will be sent out. Any questions please don't hesitate to contact me.

HARLEY HAVEN HAPPENINGS

I always think it's funny when we get travelers from up north who express their jealousy of being able to ride year round here in South Carolina. I have to remind them that although we can ride through the winter without snow, the summer can be *brutally* hot! As a reminder, be sure to stay hydrated while riding and keep sunblock on these next couple months! We have some warm weather riding gear here at Harley Haven to help keep the sun off your arms as well as soaker headbands that you can soak in cold water.

Sturgis is also coming up so if you need any riding gear, parts or service, be sure to shop early for the best selection! We are booking up quickly in Service and riding gears as well as parts have had the tendency to be on backorder recently.

Here at Harley Haven, Tejay will be celebrating 22 years of service on August 1st (although he's really been around since he was in diapers) and Teresa will be celebrating 21 years on August 15th!

Look forward to seeing you all soon and until then –
Ride the Adventure, Live the Dream.
