

HOGWASH

CENTRAL SC H.O.G. CHAPTER #4772 JAN/FEB 2022 SPONSORED BY HARLEY HAVEN

KIM'S KORNER

Did you know there is a National Tire Safety Week in the U.S.? It's Actually June 28th to July 4th this year. So why am I writing about tires for the Jan/Feb Hogwash? As we have experienced some extreme cold weather for South Carolina, which not only affects your body and mind, it can actually lower your tire air pressure. The air in your tire becomes denser, thus lowering the air pressure (PSI). (This is true on your other vehicles as well). So, checking your air pressure is important prior to KSU so your tires are properly inflated as you head down the road. You should also let your tires heat up a little bit before you accelerate into those curves and twisties. Your tire pressure recommendation is on the side wall of each of your tires. You can also look at your owner's manual if you can find it. You will notice when April is on the back, it is recommended about 4 more PSI.

Tire Pressures

LOAD	TIRE PRESSURE (COLD)			
	FRONT		REAR	
	PSI	kPa	PSI	kPa
Solo rider	36	248	36	248
Rider and passenger	36	248	40	276

MOUNT	TYPE	SIZE	OPTION 1	OPTION 2
front	radial-ply, tubeless	120/70 ZR17	Brand X - F	Brand Y - F
rear	radial-ply, tubeless	190/50 ZR17	Brand X - R	Brand Y - R

page 22 Specifications

Owner's manual

Checking the depth of your tire tread is also important as a visual check of your tires for overall condition. Tires have small wear bars molded into the tread grooves. When the tread is worn down to the level of the wear bars (indicating 1/32 inches of tread remaining), the wear bars become exposed and the tire should be replaced. Some manufacturers recommend replacing the tire when there are 2/32 or 3/32 inches of tread remaining.

You can also check the age of your tire, in a little oval the week and year are imprinted. Most manufacturers recommend you replace your tires if older than 5 years. Tires harden over time and heat up cycles; harder tires have less tractive effort.

Another tip when your bike is going to sit for a while, is to keep it off the concrete as concrete can leach into a tire shortening tire life. Also you should roll the

bike forwards or backwards so flat spots don't develop.

So as one tire said to the other.....See you round!

Until then,
Kim Out!

Kim Robinson

BRITT'S WITTS

What are Your New Year's Resolutions?

Each year, we scratch our heads and try to figure out how to make our lives better. Maybe we decide we need to lose weight so we diet, or we want to save money, learn to practice meditation, or travel abroad. The list is endless. But what are we seeking? I think we are seeking more balance and more fun!

So instead of dieting...I am looking for new spots to dine in with my HOG group!

So instead of saving money...I am looking for a new ride or ways to make my ride look more amazing!

So instead of meditating...I am riding more...that is my bliss...my calm...my place to find balance!

So instead of traveling abroad...I am riding more here closer to home...to find new adventures and new sights to see!

I want to live life at its fullest...and I am doing so on my Harley!

I want to make deeper friendships...and I am doing so on my Harley!

Let's get more organized, build better friendships, find new places to see, eat some good meals and find our bliss together...Let's get the most out of this year of riding together! What are your resolutions for this year for yourself and your Harley? Where are you wanting to go or to accomplish this year in your Harley experiences? Embrace that calling and let's ride!

HARLEY HAVEN HAPPENINGS

It's a new year and I for one am very excited for what 2022 has in store for us! This year, the HOGWASH newsletter will return to a new issue every month. This will be the last newsletter you will receive if you have not renewed for 2022. You can sign up in store or you can find the membership form online on www.centralschog.com under the 'Membership' tab. You can bring it filled out into Harley Haven or mail it to 941 Western Ln. Irmo, SC 29063 c/o Stephanie with \$35 cash or check made payable to Central SC HOG.

With only 6 weeks until the riding season, there's no better time to get on the Harley of your dreams! If you're in the market for a NEW H-D® or want to trade in what you've got for a newer model, now is the time! The all-new 2022 models have officially been released and they're starting to make their way into Harley Haven! Check out the 2022 lineup on our website www.harley-haven.com

With the cooler temps here in SC, there's no better time to sign up for our Arctic Blast Mileage Challenge! Visit the Harley Haven Service Department to sign up. From January 15th – March 5th, we are challenging you to see how many miles you can put on your Harley®. So now is the time to throw on your leather and start riding. Visit our website or Service Department for more info. While you're getting your mileage read, be sure to update your HOG mileage to qualify for Ride 365.

Lifetime Mileage Recognition Program

- Lifetime is a rolling program, no end date, but awards are earned as each mileage milestone is completed.
- Members should check in early to enroll because every mile count's toward earning awards!

Annual Mileage Recognition/Chapter Challenges

- A minimum of 2 odometer readings are required during the year to get credit for Annual Recognition/Challenges.
- After January 1 of each year, an initial odometer reading must be recorded to *enroll the member* in the Annual Contest.
- Members should get a check in early in the year to have the greatest opportunity to gain credit for miles ridden.

HAPPY BIRTHDAY!

- After each additional odometer reading is entered, the miles ridden between each odometer reading will be applied toward the program.
- Make sure you get one last reading at the end of your riding season! Note you need to get an initial reading after the new year.

H-D™ Visa® points for miles benefit

- A “Qualified card member” can activate the benefit by having an initial odometer reading recorded after January 1, 2020.
- After each additional odometer reading is entered, the miles ridden between each odometer reading will earn them 1 point for each mile ridden on their Harley-Davidson® Motorcycles up to a maximum of 50K points per calendar year.
- To be “Qualified”, a rider must be a Primary H-D™ Visa® cardmember in good standing and an active Full H.O.G.® member.

We also have a FREE gift for current HOG members here at Harley Haven. Limited supply so get yours before they're gone!

Look forward to seeing you all soon and until then –
Ride the Adventure, Live the Dream.
