**CENTRAL SC H.O.G. CHAPTER #4772    MARCH 2022    SPONSORED BY HARLEY HAVEN**

## RUSS'S RANTS

Hello my fellow Hoggies and I pray GOD's blessings on each and every one of you.

I get asked many times "why should I join the HOG group?" Well for me that answer is simple. We all have a common bond - the love of Harley Davidson motorcycles. All of our members share the passion for our bikes and the open road. We get to meet new people and find new and exciting roads and destinations. We get to enjoy a meal together and talk about our love of cycling.

We start our year with a New Year's Day ride and continue the fun throughout the year. We have charity events including Carolina Sunshine for Children and Wounded Warrior rides. We have chapter rides as well as a Ladies of Harley (LOH) ride each month. We have day rides and overnight rides to destinations such as H-D factory tour, Helen GA, Daytona and Maggie Valley to name a few. Holiday toy runs and other charity rides as well.

It's easy to join just by visiting [www.H-D.com](http://www.H-D.com) and click the "Community" tab and follow the link to the Harley Owners Group page. Easy peezy lemon squeezy, follow the "join HOG Now"

So it's simple, we love to ride, share in that camaraderie of motorcycles.

GOD BLESS

Remember smile's up rubber down.

## RIDING B\*\*\*\* WITH MICHELE

The last month we had two great rides. One to Little Pigs BBQ and one to Shane's Rib Shack. During one of the rides, one of our members had a flat tire and due to being a hog member he didn't have to pay for towing.

## Motorcycle Roadside Assistance for full members

Having Roadside Assistance coverage provides peace of mind for any unexpected event on your next ride. H.O.G. ® Roadside Assistance coverage is an affordable way to ensure you can quickly and safely get back on your bike.

Our motorcycle Roadside Assistance coverage includes:

- Emergency service to your motorcycle due to battery failure, mechanical or electrical breakdown
- Immediate need of fuel, oil, or fluid
- We'll tow your vehicle to the nearest authorized Harley-Davidson dealer up to the Total Maximum Annual Benefit Limit

This standard Roadside Assistance package is included in a "Full" and "Full Life" H.O.G. membership. The standard package covers one registered VIN for one use per year up to \$100

I want to thank Paul McCarthy for standing By Ron Baldwin the entire time he was waiting for assistance. This is another reason why I enjoy the HOG chapter, we never leave a man behind, we always look out for each other and we have fun. That is always important to do a motorcycle safety check:

## T-CLOCK Safety Inspection Checklist

The T-CLOCK inspection checklist was devised by the Motorcycle Safety Foundation for inspecting your motorcycle to make sure there aren't any equipment or mechanical hazards. Be sure to budget adequate time to perform this inspection before you start riding. Alternatively, you can also conduct this inspection after riding your bike.

### Motorcycle Safety Checklist

T-CLOCK stands for:

- Tires & wheels
- Controls
- Lights & electrics
- Oil & fluids
- Chassis
- Kickstand

I also want to thank everyone for giving some great suggestions for some rides. I'm really excited about some great rides coming up. As always we are looking for people who would like to lead a chapter ride and experience the fun. Let's have fun and ride
