CENTRAL SC H.O.G. CHAPTER #4772 AUGUST 2022 SPONSORED BY HARLEY HAVEN

KIM'S KORNER

Happy Hot August! For those of you who were unable to make the July chapter meeting I want to bring you up to date on some changes. All of you know Russ and Barb just moved to Moncks Corner to be closer to their daughter and her family. As Russ felt he was unable to give 100% as the Director, he reluctantly stepped down. As such, I moved into the Director's role and Britt stepped into the Assistant Director's role. I want to take a moment and thank Russ for his leadership, fellowship and sick sense of humor. He was a great Director and we will miss him in that role but hope to see him and Barb as often as they can make it to a ride or chapter meeting. Thank you Russ and best wishes!

I am writing this month's article on my iPhone on a ferry going to Newfoundland; so we won't make it back to the August meeting leaving it in good hands though with Britt and Michele. It's been a great trip so far other than the \$8 a gallon gas.... Never thought it would take \$45 to fill my bike!

On to the article -- So how many of you are signed up for **Ride 365**? H.O.G. recognizes and rewards your passion for riding in many ways under the umbrella of the RIDE 365 program. Now H.O.G. Members have a new way to be rewarded for riding with the limited-time RIDE 365 Annual Mileage Recognition Program in 2022. Any H.O.G. member who rides 2,500 miles in 2022 will receive a \$50 promotion card to spend online at H-D.com/shop or at any Harley-Davidson dealership. For riding a total of 10,000 miles or more in 2022, members can receive an additional \$100 promotion card.

BRITT'S WITTS

Hello my fellow Hoggies,
Well... this summer has been *relentless* with all the heat and humidity! I hope all are staying hydrated on your rides. It has been great for night and dinner rides when it is not a monsoon for the evening.

Back in June, we had our Patriot Tour Ride and I want to thank all of you that participated on that day. We had a good ride down there and Low Country H-D grilled us burgers and hot dogs. We got hit by a big

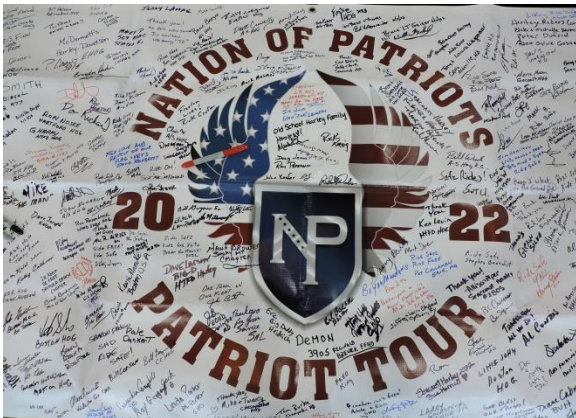

farm sprinkler on the way down so that felt good on a hot day. We had 20 bikes go down for the ride and Scott was our flagbearer so I want to thank him for that.

We had a good ride to the Beavers Den that was led by Scott Shields; we had 19 bikes for that ride and some nice back country roads to and from there. We are glad to have Earl and Sharon back with us after their time off to build their new house. Sharon does a wonderful job of taking pictures of our rides and I'm sure we all appreciate her for the great pictures she takes for us.

By the time you get to read this, we will have come back from Little Switzerland. Brian Manges led us on this ride and we appreciate his work for planning our ride up there and we will all get a great story of our adventure from BMANG.

HARLEY HAVEN HAPPENINGS

Can you believe it's August already?! Where has this year gone? As much as I love summer, I'm about ready for fall weather and all the festivities that come along with it. Beginning on August 5th is the start to the infamous Sturgis Motorcycle Rally! Are you riding north for the rally? If you need to get geared up, we have all the riding gear and apparel you'll need for your trip here at Harley Haven. Shop early for the best selection.

When is the last time you visited the dealership or our website? We officially have a FULL showroom of new and pre-owned bikes. Come see us or visit www.harley-haven.com to see what we currently have in our inventory. Are you ready for an upgrade? We are accepting trade-ins as well! Come see Tim or John for more information.

I, for one, am very proud to be a part of business that has been around before everything was a click away and continues to thrive. Harley Haven started as a dream in a garage in Cayce and has since grown to what you all know and love today. We are proud to be celebrating **32 Years** of business on **Saturday, September 10th**! Be sure to mark your calendars for a day filled with live music by the Joseph Grayson Band, food available from Cheese and Thank You, drinks, vendors & a people's choice bike show! Check our website and Facebook for more details coming soon. There will be a volunteer sign-up sheet at your August and September meetings. Any help will be greatly appreciated.

Here at Harley Haven, Tejay will be celebrating 23 years of service - even though he's technically been here since he was in diapers! Right behind him is his other half, Teresa, celebrating 22 years of service! We're so grateful for this dynamic duo and having them on our team.

Look forward to seeing you all soon and until then – *Ride the Adventure, Live the Dream.*

TRISH'S TRAILS

Greetings fellow Hoggies! I just wanted to give you a heads up that we are going to be doing our annual Phil Page Memorial Ride for Carolina Sunshine on Saturday, October 1st KSU at 10:00 am leaving from Harley Haven. Destination to be announced in a few weeks so keep an eye on your email!

The Central SC HOG Chapter has been supporting Carolina Sunshine since 1994. Last year we raised \$8,000. For our newer members, let me tell you a little bit about Carolina Sunshine. They work solely for the children of South Carolina providing a ray of sunshine for children with life threatening illnesses and their families. A child's beaming smile, from a wish come true; can be a positive, lasting memory at a difficult time for a child and their family. 100% of every donation received goes towards fulfilling a child's wish. The board members of Carolina Sunshine are all volunteers; they do not get a salary. So you can be sure your donations are going towards a child's wish. Your donation for this ride is \$40.00 per bike (not per person) Let's get together on **Saturday, October 1st** and take a nice ride on some great back roads and put a smile on a child's face.

We are also going to be selling squares for a Palmetto State Armory gift card again this year. Tell you more about that at our next meeting!

Knees in the breeze,

Trish Camarota
