CENTRAL SC H.O.G. CHAPTER #4772 JAN/FEB. 2023 SPONSORED BY HARLEY HAVEN

KIM'S KORNER

I hope everyone is enjoying the start of the New Year! Even though it is only February, a lot has happened this year already. We've had the Frozen Finger ride, a chapter ride and the After Christmas Party. We had a great turn-out again for the party, with 60 people attending. I hope if you were one of them you enjoyed the games, food and companionship of fellow hoggies.

A couple of announcements we made at the party, one of course was the big announcement of TOP HOG and Miss Piggy. Scott McLain was TOP HOG and Trish Camarota was Miss Piggy. Congratulations to both of you for winning the awards and thank you for everything you did to earn the award!

The next big announcement was a change to our chapter directors. Our "new" LOH director is Trish Camarota and our "new" Activities director is Brian Manges. I am personally excited to have both of these new directors join as they are long time HOG chapter members and both past directors, so their experience will be a great help to the chapter in rides and other activities. Please join me in thanking them for returning to the chapter board.

Speaking of thanks, I would like to thank Michele for all that she did in the last two years serving on the board as LOH director. She was always prepared for meetings (a big help to the other directors) and helped organize and arrange our overnight trips....thanks Michele!

One last thing for the After Christmas party, we have already reserved January 13th, 2024 as our next annual celebration, so mark it on your calendars!

BRITT'S WITTS

Hello my fellow Hoggies! Welcome to a New Year and hope you have all had your rain suits on your bike for all this Noah's Ark weather we have been having. This has definitely been a rainy season so far. I would like to thank Michele for her help these past few years with the Chapter as the LOH. She was a tremendous asset to me as well as the chapter. With the New Year we have some new officers. I would like to welcome Brian and Trish. Brian is our new ride director and has replaced me; his knowledge is a little greater on these fantastic back roads that SCDOT takes such good care of. He definitely knows a few roads I may not. He is a great addition to the chapter. Trish will be our LOH and she will lead us on some fantastic rides along with Brian. She is also one of coordinators for Carolina Sunshine and our Patriot Ride. They both came back for more of mine and Kim's punishment so take it easy on them.

We are here at the beginning of the year and as a chapter we would love to hear about some ride destinations you may have and want to share or would like to lead for us. We love to hear ideas, stories, and fantastic destinations. I also want to thank all of our members in the chapter, without all of you we can't have great rides. To our new members, I am looking forward to spending time in the saddle with you.

BUG HUNTING

Hello all,

If you didn't know, I am going to be the chapter's activity director for 2023. I started with a ride to Meeting on Main in Williston. I have since determined that I will leave the weather forecasting to the professionals. I will just focus on finding good destinations and roads less traveled. I hope you all will join us for another riding season. There are always opportunities out on the road to make memories that last a lifetime.

Saturday February 25th there will be a ride going to Henry's restaurant and bar in Cayce. We will be going the long way to get there so don't get your hopes up for a short ride. More details will be coming soon.

Thanks for the opportunity to show you all around the great state of South Carolina.

Let's Roll,

Brian Manges

TRISH'S TRAILS

I'm looking forward to a good year of riding (and eating) as your Ladies of Harley officer. We're off to a good start with the New Year's Day ride - - no frozen fingers again this year!

The next LOH ride will be Saturday, February 11, 2023 leaving Harley Haven at 10:30 am. It will be a 90 mile back roads loop through Lexington heading as far south as Wagener, then west towards

Batesburg-Leesville. From there we'll head back to Lexington for lunch at Flight Deck restaurant.

I would love to hear if anyone has suggestions for rides or restaurants. Please don't be shy, talk to me or Brian.

Knees in the breeze,

Trish Camarota

Carolina Sunshine Donation \$8,500

Thought some of you may be interested in how the \$8,500 was raised for Carolina Sunshine. We actually raise money all year and do one donation yearly to Carolina Sunshine.

Carolina Sunshine has no paid officers; all their Board Members are volunteers. Every dollar we donate goes to grant wishes for children with life threatening diseases.

We had 3 raffles – Fire Pit/Watch/Blanton’s raised \$1000 – fire pit and watch donated by Tim Baker and Blanton’s provided by Dave Wichmann. Sinatra Limited raised \$1000 and was donated by Trip Chalk at Private Property in Lexington. Bryan Metzger’s Raffle raised \$2000 and the winner, Mark Jensen, actually donated back \$500, half of what he won.

The Phil Page Memorial Ride raised \$1040 from the riders and other donors. Events at Harley Haven raised \$1300 in drink sales - tip jar \$650 - fifty-fifty ticket sales \$200 – donations \$195. Thank you volunteers!

Members donating back their fifty-fifty winnings at meetings \$225 – thank you Kim, Russ, Trish and Tejay.

If you have an item you would like to donate for raffle, let us know. Volunteer to help at Harley Haven events, participate in the Phil Page Memorial Ride because every little bit helps and we do appreciate it.
